All for now - if there are any questions I can help field, let me know!

Thanks,  
Mimi

P.S. Microsoft is updating on my work laptop, I'm emailing via the remote app on my Mac so I'm reachable via email but not sure if I'm Skype-able.

I intend to get rolling on the BEs for both states in December. It's going to be a very busy winter! (For you, too - in a much better way! Yay!)

Have a great evening!

Thanks for taking the time to review Holly (and to Tonya again)! I've relayed your comments on the 'Improving Consultation and Process' section with Kaitlyn in OP.

Thanks also for showing your support for the WATA initiative, and continued coordination with HECD. We are also very grateful to Jim and the rest of the folks in his branch that he's training.

Have a great rest of your afternoon!

Hi Mimi, thanks so much for the opportunity to review the sections you flagged - and for your patience. It was really interesting to read the summary of the survey results.

Hi Mimi, no need to wait on my account. I'm more curious than anything to see the results of the survey.

I'll open the documents for review shortly.

Thanks,

Hi Holly, no problem, let us know what comments you have when you get to it today. At some point I'm supposed to share our draft recommendations with Corey at the branch level, but can try to wait until this afternoon.

Thanks! 😊

Hi Mimi, I'm so excited for you woo hoo!!

Hey so I've been immersed in a North Dakota Se issue so haven't had a chance to review the ESA survey results summary. So sorry! I know the deadline was COB yesterday and that Tonya sent you her comments so we're covered, but I would like to take a look at the Executive Summary and the Improving the Consultation Process sections today. If I have any comments I'll let you know.

Have a great day!!

Holly
